

June 8, 2017

Fr. Jorge,

Doug Adel and I had a good meeting with Kathy Cage last Thursday regarding the updated plans for the new Parish Hall. In the aftermath of that meeting I informed Bishop Blaire of the updated plans. Bishop Blaire is willing to give permission to proceed with the project based upon the following conditions:

- That he receives a copy of the minutes of both the Parish Finance Council and Pastoral Council approving the updated project.
- That upon completion of the bidding process it is evident that there are sufficient funds to finish the project.
- That the current building design will allow for adding on to the building if additional space is deemed necessary at a future time.

Wishing you every success in completing this long-awaited project

Sincerely,

Msgr. Richard Ryan

Cc: Bishop Stephen Blaire
